Formed in 2024 by five experienced musicians in their 30s and 40s, united by a shared passion for strong melodies, atmosphere, and emotional depth. Drawing on the tradition of Danish rock (Dizzy Mizz Lizzy, Kashmir, Carpark North) while shaping a modern sound, epoke blends cinematic dynamics with honest songwriting. Their music explores themes of identity, fractured dreams, human connection, and the tension between strength and vulnerability.

Martin - Vocals
Carsten - Guitar
Kasper - Bass
Johannes - Keys/Guitar
Nick - Drums
